Attestation

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard:
BS EN 1090-1: 2009 + A1:2011 were applied.

Date of first issue**June 2014****Date of this issue****20 October 2020****Date of expiry****24 April 2022****Validity Period**

This certificate remains valid as long as the conditions laid down in the harmonised standard in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

This certificate will remain current subject to the company maintaining its system to the required standard. This will be monitored regularly by Steel Construction Certification Scheme Ltd. Further clarification regarding the scope of this certificate and the applicability of the relevant standards requirements (see welding certificate) may be obtained by consulting Steel Construction Certification Scheme Ltd.
