

# BARRETT STEEL SCOTLAND

Edinburgh: 0131 440 9036 • Bathgate: 01506 537 444 • Dundee: 01382 933720

## YOUR EXPRESS GUIDE TO BARRETT STEEL SCOTLAND

**As recent winners of the Scottish steel stockholder of the year award, we are your trusted one-stop-shop for steel products in Scotland.**

With a mixture of rigid and artic vehicles to suit all customer requirements, we deliver daily across Scotland a wide range of steel products. We have the power to process on-site at our Montrose depot with two fully automated saw lines in operation but also have access to a dedicated plate profiling centre and 12 laser tube processing machines through the Barrett Group.

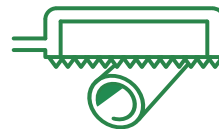

**4K tonnes**  
of steel  
stocked in  
Scotland

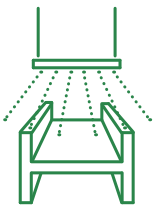

**Next day delivery**  
across Scotland

**Power to process, 2 full automated  
saws**, same day/next day cutting service.

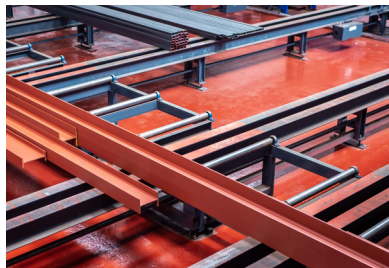

**Blasted and primed  
UB, UC, PFC's  
355J2** available off  
the shelf in Montrose.
